# GOLLA ASREETHA SREEJA

7670868993 | gollaasreethasreeja9@gmail.com | Linkedin | Leetcode | Github

#### **EDUCATION**

# Vishnu Institute of Technology

2022-2026

Bachelor of Technology in AI&ML

CGPA: 9.25

# Sri Chaitanya Junior College

2020-2022

PERCENTAGE:95

#### EXPERIENCE

## Enligence Technologies - Machine Learning Intren

Dec 2024 – Feb 2025

- Developed a custom RAG model to generate answers from uploaded PDFs, improving query accuracy.
- Built a system to retrieve relevant YouTube videos for specific topics using NLP techniques.

# Hackveda Limited-Python Intren

May 2024 - July 2024

- E-commerce Website Development.
- Stock Data Analysis and Visualization.

#### **PROJECTS**

#### Med Intel

- **Description:** Developed a Flask and MongoDB powered web application for secure medical document management. Used LLMs for disease and symptom analysis, along with extracting valuable insights from prescriptions.
- Tech stack LLM, OCR, ML, Flask, MongoDB

### Interactive PDF Document Query SystemGitHub Link

- **Description:** Developed a system to generate precise answers from uploaded PDFs using LLaMA for contextual understanding and Jina embeddings for efficient retrieval, enabling students to quickly access relevant information.
- Technologies: Streamlit, PyPDF, LLaMA, LangChain, Jina Embeddings

## AI Podcast Generator with Emotions Sample Audio Link

- **Description:** This application allows users to input a topic and generate a podcast tailored to their preferences. Users can specify the language and duration of the podcast, providing a personalized audio experience.
- Technologies: Streamlit, Llama 3.1, Azure Cognitive Services Speech, pydub

#### TECHNICAL SKILLS

Languages: Python, JavaScript Frontend: HTML, CSS, ReactJS Frameworks: Flask, Tensorflow

**Databases**: MYSQL, Google Firebase, MongoDB

Developer Tools: Git, VS Code

ML Skills: Machine Learning, Deep Learning, NLP, Gen AI

Miscellaneous: Leadership, communication, Problem solving, DSA, Analytical skills

# ACHIEVEMENTS

- Gold Medalist for Academic Excellence: Awarded for securing the highest marks in Academics in B-Tech at VIT-B.
- Winner of Tech Trek Adventures organized by SVECW.
- Top 2/25-Teams in Innovit Hackathon in VIT-B

# CERTIFICATIONS

NVIDIA F-DEEP LEARNING EDUSKILLS - PYTHON FULLSTACK
